

*2019 Nuclear Utility Obsolescence Group
Project Subcommittee Working Group*

NUOG Communication Project

*Peter Girgis
Dan Philipps*

Purpose

- Maximize benefits from use of NUOG and industry obsolescence management products, sharing of Operating Experience, and knowledge retention.

Objectives

- Improved day to day OE/benchmark sharing between NUOG members.
- Improved repository of NUOG and Industry obsolescence documents - knowledge retention.
- Improved utility obsolescence management benefits - reduced impact on equipment reliability and reduction in obsolescence cost.
